

## How To Install

We recommend that you uninstall any previous versions of CES EduPack before continuing.

### System Requirements

To install CES EduPack 2017, you will need the following:

- A compatible Microsoft® Windows® operating system;
  - Windows 7 32-bit or 64-bit,
  - Windows 8 32-bit or 64-bit,
  - Windows 10 32-bit or 64-bit.
- 2GB of RAM (more is recommended when using large databases).
- 3.5GB of available hard disk space.
- Microsoft .NET Framework version 4.5.1, Microsoft Report Viewer 2010 SP1, and Microsoft Visual C++ Redistributable Packages for Visual Studio. If any of these are not installed, they will be installed during the CES EduPack installation. For the French language installation, you will also require the French language packs for these.
- Administrator rights.

### Installation for students

To install CES EduPack 2017:

1. Copy the files onto your computer. Make sure **licence.xml** is in the same folder as the installer, **edupack\_setup.XXXX.exe**.
2. Run the installer and follow the on-screen instructions.

For the Student FAQ page, go to [www.grantadesign.com/education/support/FAQs/students.htm](http://www.grantadesign.com/education/support/FAQs/students.htm).

### Installation and distribution for IT admins and educators

To install CES EduPack 2017:

1. Go to [Granta's Education Hub](http://www.grantadesign.com/education/support/FAQs/students.htm) and sign in to your My Granta account.
2. Click **Download software**, then click the download link to save the installer (**edupack\_setup.XXXX.exe**).
3. Run the installer. Enter your My Granta account information when prompted.
4. To install the software, click **Install now**, and follow the on-screen instructions.

You may have a license for more than one edition of CES EduPack. You can use the installer to create a custom installer to distribute to students and colleagues. This will allow them to install a specific CES EduPack edition:

1. Download and run the installer (as above).
2. Click **Create installation package**.
3. Select the edition you want to distribute.
4. Click **Continue**. This will create an installer in a folder that you can distribute to other licensed users. They do not need to log in to install CES EduPack.
