Jaguar Land Rover	Mark Blagdon
John Deere World Headquarters	Rakesh Goyal
John Deere World Headquarters	Jonathan Nelson
Molex Incorporated	Brett Rickett
Molex Incorporated	Charlie Manlapaz
Rheinmetall Automotive Kolbenschmidt	Albert Schmid
Rheinmetall Automotive Pierburg	Peter Seggewiss
Rheinmetall Automotive Pierburg	Wolfgang Senger
PSA Peugeot Citroën	Rémy Bompont

# AutoMatlC – founded in 2014

The Automotive Materials Intelligence Consortium (“AutoMatlC”)

To define, develop and share **materials information technology** related best practices, data, and tools across the Automotive and Off-Highway Vehicle sectors in a pre-competitive environment

To enable our members to implement this technology faster, and gain maximum return on investment, through collaboration, networking and shared experience

# Documents from last meeting

- My Granta
- AutoMatIC
- Register with your email address as a user name and set yourself a password

**Support**

- My Account home
- Manage profile
- Manage licenses
- Download
- Documentation
- GRANTA MI
- CES Selector
- Consortia**
